Description

Step back in time and live a part of history... Charming 3 bedroom townhome with bright spacious rooms. Attention to detail is seen in the moldings, built in cupboard, custom fireplace and breathtaking staircase in this historic home built in 1896. Beautiful hardwood floors grace this fine home which offers a large living room with pocket doors and robust fireplace. The dining room is full of charm with its built in hutch, bay window, window seat and attached Butler's pantry. A large eat in kitchen has all the modern conveniences such as gas stove and dishwasher, yet retains its old world charm.

Upstairs, there are three good size bedrooms - all with ample closet space. A fourth room which is attached by a door to the master bedroom would make an ideal nursery, large walk-in closet, ...(show more)
